

Mariani Plants

“All together better”

Mariani Plants, one of the leading growers in the Midwest, is looking for an Account Sales Representative to join our team. If you enjoy helping customers, working with a great team of people, and enjoy a fast paced environment, this position is for you! The added bonus is you will have the opportunity to work the passion driven industry of plant sales.

Our journey began in 1992 on 167 acres in southern Wisconsin, our loyal customers motivated and challenged us to expand and produce more quality plant material. Today, Mariani Plants has grown to 500 acres in Kenosha, WI, 120 acres of Container/Propagation Shrubs & Perennials and 40 acres of Evergreens in Garden Prairie, IL.

As an Account Sales Representative, you would be sharing your passion for helping customers by filling their plant needs and growing our customer base. Strong organizational skills and sales experience is needed. You will work together closely with the other Account Sales Representatives, Growers and Shipping team mates to ensure our customers' needs are filled. Weekly sales meetings will be held to share ideas and foster a team spirit to accomplish our short and long-term sales goals.

Our mission is “All Together Better”. That extends too all the team members in our Mariani Plant family. This full-time position offers competitive wages, comprehensive benefits, and a spectacular culture that promotes growth, learning, teamwork, and employee satisfaction!

Interested candidates should send their resume to Mike Mennenoh at mmennenoh@marianiplants.com
